For Your Information:

The MS school students, in collaboration with their peer advisors, worked on making Kenilworth a kinder place, by brainstorming small acts of kindness. Those small acts were written on paper hearts and now adorn the hallways of the MS. These are great reminders of how to be kind person.

This month students will explore community outreach opportunities and get to voice what they would want in their "perfect" community!

HELP WANTED:

Don't forget to check out our MS Counseling website- you can find our 2016-2017 program of studies there! MS students will be meeting with Mrs. Harrison soon to pick classes for next year!
