Meet Your 8th Grade School Counselor

My name is Megan Harrison and this is my third year as the 8th grade counselor. I am thrilled to have the opportunity to work with all the wonderful students & families here at Brearley.

As a school counselor, I work closely with the teachers and staff to provide a safe and successful environment for our students.

I provide individual counseling, group counseling, academic counseling, and facilitate peer mediation. Please reach out with any questions!

Middle School Clubs

Today the middle school students attended a PSLP assembly. During this assembly students were given information about clubs they have the opportunity to take part in. We encourage students to try the clubs they are interested in and meet new people!

Attached to this newsletter is a list & summary of the clubs we offer.
